POCKET ACES

This is the best poker hand, so play aggressively preflop and try to move all-in.

2

82.40%
vs Any 2 Cards

POCKET KINGS

Play fast preflop, but be cautious if an Ace shows up on the flop.

3

79.93%
vs Any 2 Cards

POCKET QUEENS

Raise or re-raise confidently, but slow down if there are overcards on the board.

4

77.47%
vs Any 2 Cards

POCKET JACKS

Play aggressively, but do not commit your entire stack preflop when deep.

5

67.04%
vs Any 2 Cards

ACE KING SUITED

Great hand with blockers to play aggressively before the flop.

6

75.01%
vs Any 2 Cards

POCKET TENS

Very strong hand preflop, but often becomes a bluffcatcher with multiple overcards.

7

65.32%
vs Any 2 Cards

ACE KING OFFSUIT

Not as strong as Ace King Suited, but still a very strong hand preflop or when you hit a pair.

8

66.21%
vs Any 2 Cards

ACE QUEEN SUITED

A strong hand that you should raise preflop, with a flush potential.

9

72.06%
vs Any 2 Cards

POCKET NINES

Great in shallower stacks or for set mining, but avoid huge pots preflop.

10

65.39%
vs Any 2 Cards

ACE JACK SUITED

Has flush potential and can make strong top pairs, but can be dominated.
